September Meeting

The September meeting was called to order at 7pm with 21 members and 13 guests. New members joining the club were Larry Porter, W.K. Forrester, Norn Green, John Isbell, and Mack McGhee. None of these folks have hunting partners and they are all looking for one. A suggestion was made that all members be allowed to vote on the Finds of the Month. A short discussion was held, a motion was made and seconded and it was unanimously approved. Three members were elected to the Finds of the Month Committee and they are now in charge of the monthly contest. They are Bob Valenta, Paul Stearns and Ralph Barnwell. The new guidelines for the finds are: 1. You don't tell anyone what you have found. 2. You hand your find to one of the committee members, tell them who you are, what category you want it entered into and they do the rest. Every club member will get to vote on the finds. Ballots will be available at the table along with ink pens. Do not swipe the ink pens please. Also the third member of the Board of Directors was elected. Roger Thompson will serve in this capacity.

October Meeting

Harold Rife has officially resigned as club Vice President. I will fill in until we can elect a replacement. For the November meeting is anyone interested in having a swap and shop? There is another \$25.00 prize up for grabs on the forums folks. This month's contest is all about those dreaded pull tabs we all dislike so much. Last month Barber Dime Mike won \$25.00, Larry Skidmore won a Tennessee lanyard, silver dime and WIVK key ring, and Mark Martinec won a Tennessee lanyard also. Thanks goes out to everyone who helped get the hunt site ready for the hunt and for the donations made for the prizes given away.
